Meeting Minutes

Attendance: Mike Peters, Chris Bishop, Justin Cox, Bernice Satterfield, Barbara Reese, Nellie Durham, Joy Graham, Chris Masters, Lizzie Anderson, Joey Anderson, Mike Farley, Tony Smith, Shane Clardy, Kristin Clardy, Justin Smith

- 1) We introduced the Bethel Leadership team prayer that we will pray together before each meeting and in our own daily lives. We discussed the importance of praying and seeking the Lord's guidance in this, and in everything we do.
- 2) We read over the core values as a group since it had been revised. We found some minor grammar mistakes, but overall everyone is on board with the wording and order of the values. Many pointed out for future postings on the website and for social media, in order to summarize the message of each value in a quick and easy way – the first sentence of each core value description could be used to get the basic point across.
- 3) The core value presentation plan was discussed and looked at:
