Topic 2: Covenant Member List

Several ideas were discussed as to how to go about enlisting Ministry Team members however it was decided that the BLT would look, together at the Covenant Member list and decide as a group, one BLT Leader that would be responsible for going to ask that individual if they would serve on their ministry team and if they said no, to ask them where they would like to serve. This process should start Tuesday, July 16th

Topic 3: Student Minister Update

Details and plans regarding the Student Minister were presented. 6 applications have been submitted. 1 was from the original pastor search and he declined. 1 applicant withdrew his application before the initial screening interview. 3 others had an initial phone interview on Friday afternoon with three members of the Student Minister Review Team. Two of those were a no and one is being considered further. The final applicant had his initial phone interview on Monday afternoon with the same three members of the Student Minister Review Team and he is also being considered further. The questions that were answered were who the BLT thought would be good teachers for PBS groups and when we would like to officially begin implementing. The date decided on is September 1st, 2019.

Topic 6: August 11th Date

Discussion was held on the August 11th date as being the cut off for members to be moved to inactive status. After several questions and realizing that a further look into the
